

# Diablo II Character Skills

Well, I did say I would list the character skills in a separate table, and I guess I've put it off long enough. So here it is!

There are two numbers shown for each character skill. One is the offset into the [character skills](#) section of the [saved character file](#). The other is the skill ID used in some of the [magical properties](#) (i.e., "+2 to Bash (Barbarian Only)", "level 3 Fire Bolt (33/33 Charges)", etc.), and in the [button actions](#). The common skill ID's are only used in button actions.

Common Skills

0		Attack		3		Unsummon		217	
1		Kick		4		Left Hand Throw		218	
2		Throw		5		Left Hand Swing		219
